Letter from the Lodge Chief

Brothers,

I would like to give a special thanks to the members of Unali'Yi who have worked to inspire me to make a difference in this lodge. I look to my mentors, advisors, friends, and especially our rising arrowmen to continue to strengthen the ties of brotherhood. Our lodge has a rich history of traditions and customs that I am blessed to have to opportunity to instill in the next generation of leaders.

I am proud of what we have been able to accomplish since the founding of our lodge and I have confidence that we will continue live by the principles of cheerful service given to us in our inductions. History is an important component of every lodge and I feel that if we work to understand it we will have a greater ability to serve our fellow brothers. Chingachook said "For who serves his fellows, is of all his fellows greatest". I hope we will look to the servant leaders of our lodge as an example of those who have served in their daily lives. Brothers like J. Rucker Newberry, the founder of our lodge and brothers like Jerome Moskow, our first lodge chief. If we work to understand our traditions, while strengthening our ties, the impact we will make in our schools, religious centers, communities, and our lodge will be even stronger.

In our pre ordeal ceremony Allowat Sakima said "If you decide to stop and go no further now, you may withdraw without discredit". Despite this option to end your journey, you decided to persevere through the trials and tribulations of your ordeal and I have confidence you will continue to strive towards a life of cheerful service. In order to accomplish this, I challenge you to reach a hand to those who need you. If we all work to make the difference in the lives of a single individual, then with the spirit of brothers around the country the flame of cheerfulness will glow the brighter in our hearts and Consciences.

Yours in Cheerfulness

Andrew Britz
2022-2023 Unali'Yi Lodge Chief

Information for New Members

The Obligation of the Order

I do hereby promise, on my honor as a Scout,
that I will always and faithfully observe and
Preserve the traditions of the Order of the
Arrow,
Wimachtendienk, Wingolauchsik, Witahemui.

I will always regard the ties of brotherhood
in the Order of the Arrow as lasting, and will
seek to Preserve a cheerful spirit, even
in the midst of Irsome tasks and weighty
responsibilities, and Will endeavor, so far as
in my power lies, to be Unselfish in service
and devotion to the welfare of others.

Explanation of the Obligation

Although our many service projects are valuable to Scouting, the main benefit is less obvious. The Order's primary concern is the individual, and the Order's function is to spread the spirit of brotherhood and cheerful service. You do the work of the Order in your home, your troop, and your school. More than anything else, your own example of cheerfulness to others accomplishes the Order's aim.

The Obligation of the Order is one way we remind ourselves of our special duties. Memorize it just as you did the Scout Oath and Law. Remember the three principles of the Order, and you will easily learn it.

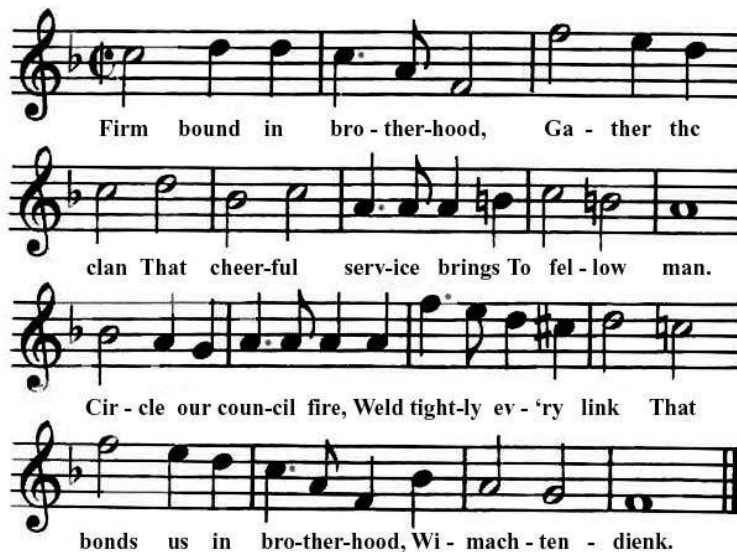

"Wimachtendienk, Wingolauchsik, Witahemui" means "the brotherhood of cheerful service" or "brotherhood, cheerfulness, and service," the three principles of the Order.

Your actions by living the Obligation as a member of your troop fulfill the primary goals of the Order. As you read this handbook as a companion to the OA handbook, you will see how you can promote camping and camping traditions in your troop, how you can help your fellow Scouts, and how you can participate in the activities of the Order. But remember the main work of the Order is done by you, usually alone and without praise or reward. "He alone is worthy to wear the Arrow who will continue faithfully to serve his fellow man."

Order of the Arrow Song

Words by E. Urner Goodman

The Purpose of the Order

The purpose of the Order of the Arrow is fourfold:

1. To recognize those Scouts and Scouters who best exemplify the Scout Oath and law in their daily lives and by such recognition cause other campers to conduct themselves in such a manner as to warrant recognition.
2. To develop and maintain camping traditions and spirit.
3. To promote Scout Camping both year round and in the summer camp, as directed by the camping committee of the Council.
4. To crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

Membership Requirements

A youth candidate for membership must be a registered member of a Scouts BSA troop or Varsity Scout team and hold the First Class Rank. The youth must have experienced 15 days and nights, of which must include six consecutive days of resident camping, approved and under the auspices and standards of Scouts BSA. The remainder of the camping must be overnight, weekend, or other short-term camps. Scouts are elected to the Order by their fellow unit members, following the approval by the Scoutmaster or Varsity Team Coach.

The Order of the Arrow allows only youth of the unit, under the age of 21, to vote for its candidates for membership. The Order is one of the few organizations that allow nonmembers to vote on membership. For this reason, the election process is very important to the Order. Unlike political offices, Ordeal membership is not a campaign. Scouts are told to make their own decision in voting. No one can influence their decision. This way, only the Scouts who have the respect of their fellow Scouts are elected into the Order.

The activities of the Order are not limited to youth. The Lodge cannot operate without the guidance of selected capable adults. Units, after holding a valid youth election, and Districts can submit the name of one adult. The Lodge's adult selection committee will review the adult nominee.

The Admonition

During your Ordeal ceremony Allowat Sakima gave you a phrase in the Lenni Lenape language. You should remember this phrase and the sign of Ordeal membership because it can be used to confirm that another person is a member of the Order. The information should be safeguarded by only discussing it with other members of the Order, and it should not be written down.

Ordeal Membership

Those elected as candidates have the opportunity to attend an Ordeal weekend offered by the Lodge. Attending an Ordeal is a requirement for lodge membership. The Ordeal is a weekend experience in which the candidate has the chance to reflect on his/her Scout life and character through a series of tests. Upon successful completion of the Ordeal, a candidate then becomes an Ordeal member of the Lodge.

Brotherhood Membership

From the beginning of the Order in 1915, all members have been equal. There are no ranks. As an Ordeal member you are entitled to all the rights and privileges of membership in the Order. Yet, so important is the induction sequence that the Order strengthened it by creating Brotherhood membership. It is an opportunity for members to evaluate their past service to Scouting and the lodge since their Ordeal induction. The process for preparing yourself for brotherhood membership is explained in the OA handbook. An Ordeal member becomes eligible for Brotherhood membership Six months after completing his Ordeal. You must complete five challenges before you can enter the Circle of the Brotherhood:

1. Memorize the signs of Arrow membership, which include the OA handclasp, the Obligation, the OA song, the Admonition, and the sign of Ordeal membership.
2. Advance in your understanding of the Ordeal. Gain a thorough understanding of the Ordeal through which you passed.
3. Serve your unit. Retain your membership, and fulfill your Obligation by continuing and expanding your service to your own troop or team.
4. Plan for service in the Lodge. Retain your membership and make a pledge of service to the lodge.
5. Review your progress. When you feel you have earnestly met the first 4 challenges, write a letter to the Lodge Secretary; explain what the Obligation means to you, describe how you fulfilled the Obligation in your own unit, and describe specific plans for giving service in the lodge program.

The Vigil Honor

The Vigil Honor is the highest honor of the Order that the Lodge can bestow upon its members. It is reserved for those Arrowmen who have made distinguished contributions beyond the immediate responsibilities of their position or office to the Lodge, the Order of the Arrow, Scouting or Scout camp.

Any member of the Order of the Arrow registered in Scouting and has been a Brotherhood member for two years is eligible for recommendation to the National Order of the Arrow Committee for elevation to the Vigil Honor. The Lodge's Vigil Honor committee is responsible for determining eligibility and selecting candidates who they feel are best qualified for this honor, and recommending them to the National Order of the Arrow Committee.

OA Sash

When you went through your Ordeal ceremony, an Ordeal sash was placed over your right shoulder. This is the correct place for the sash, over the shoulder and never folded and tucked into your belt. Wear your sash at Lodge activities and at council or district activities in which the Lodge participates. You do not wear your sash to a regular troop meeting, but wear it to a unit election or court of honor. You should not wear it to a camporee, but wear it to a callout ceremony.

The OA Handbook

Remember when you first joined Scouting? One of your first Scouting acquisitions was a Scout Handbook. You probably took the book home, sat down and devoured it in one sitting with great anticipation of the Scouting adventures you would undertake. We hope you do the same with your OA Handbook. The handbook will be your chief resource on the Order. Always bring it with you to Lodge activities.

Lodge Supplies

The Lodge operates a trading post at each activity to sell Lodge supplies, such as patches, mugs, and T-shirts. There are also drink machines at camp and the council may briefly open the camp trading post during the weekend. It is always a good idea to bring additional pocket money with you to Lodge activities. You never know what might turn up on sale in the trading post.

Your Lodge Record

The Lodge secretary maintains a membership record for you on the Lodge computer. The record has all your basic information such as address, birthdate, and dates of your Ordeal, Brotherhood, and Vigil attainments. This information is used to send out your membership card, your Lodge publications, and Lodge notices. Your record also determines your eligibility for Brotherhood and Vigil. Notify the Lodge secretary through at Secretary@site236.com or at a Lodge activity as soon as possible if your phone number, address, or unit number changes.

Unit Elections

Every unit in the council with eligible members should have an OA election each year. Did you know that a unit can hold only one election per year and the elected candidates have one year to go through the Ordeal? You would know this and all other rules about holding elections if you were to join the unit elections committee. The primary purpose of the committee is to conduct an OA election for each unit every year. The official election procedure is outlined in the OA handbook. Unit election training is offered at most lodge fellowships and can be given at a chapter meeting. If you are interested in helping with unit elections, please contact the Lodge Unit Elections Chairman or his Advisor.

Lodge Dues & Active Membership

Each year the Lodge collects dues from its members to order supplies, to pay for the operational expenses of the Lodge, to register you with the national office, and to keep the Lodge on a sound financial structure. The calendar year is January 1 through December 31. Your \$18 yearly dues are due by December 15 or you will be dropped from the active membership of the Lodge.

Your first year's dues were included in your candidate fee. Every fall, the Lodge sends out re-registration information for you to send in with your dues payment. If you fail to pay your Lodge dues or if you are not registered in Scouting, you are no longer considered a member of the Order and are no longer eligible to wear the Lodge flap. Always keep your receipt when you pay your dues. The Lodge usually sends out membership cards once a month.

Active membership within the lodge means that your dues are paid for the current year and that you attend two out of the four lodge functions a year. We ask that if you drop your membership with the Lodge, for whatever reason, that you remove the Lodge flap.

Lodge Activities

The Lodge normally hosts four activities each year at Camp Ho Non Wah. These are the Spring Ordeal, the Spring Fellowship, the Fall Ordeal and the Fall Fellowship. The cost for each activity varies depending on whether you are a regular member (\$25-35), or an Ordeal candidate (\$60). Function patches are included in the cost for the weekend; additional patches are available at the trading post.

The activities all begin on Friday night with registration, some sort of program feature, meetings, and cracker barrel. The Saturday schedule involves Ordeal or Fellowship activities, ceremonies, a cracker barrel and at the Fall Fellowship a patch auction. Sunday morning features religious services and a general Lodge Meeting. Usually the activities begin around 7 p.m. on Friday and wrap up around 10 a.m. on Sunday. A small meal is usually served Friday night. The trading post is opened at specific times during the weekend selling Lodge supplies, soft drinks, etc.

In order for the Lodge to prepare for an activity, all members who will attend should pre-register. An event flyer and an email is sent out to all active Arrowmen approximately four (4) weeks prior to an activity. The flyer requests that all Arrowmen planning to attend the activity pre-register by mailing the registration fee to the council service center two (2) weeks in advance of the activity. (The deadline is indicated in the flyer.) The purpose for pre-registering is to provide us with a firm commitment as to the total number of Arrowmen that will attend the activity.

That way we can make sure that we have ample supplies (FOOD, FOOD, FOOD, just in case you were wondering) for the weekend. We offer an early bird discount if your register early.

During the activities all campsites are available for camping. However, depending on the time of year and the number of Arrowmen attending the activity, camp cabin and tent space may be limited. Because of this, it is recommended that all Arrowmen bring their own tents to ensure their sleeping arrangements.

UNALI'YI LODGE 236

Ordeals

The Ordeals are held primarily for two very important purposes. The first is to induct new members into the Lodge and into the Order of the Arrow. The second is based on the OA purpose of giving cheerful service to others and the Coastal Carolina Council. The purpose of an Ordeal is for Arrowmen to give cheerful service, taking on projects large and small for the overall welfare of Camp Ho Non Wah.

**Fellowships**

Fellowships are primarily weekends of training and fun. The exciting Quest for the Golden Arrow competition is held at the Spring Fellowship in preparation for the SR5 Dixie Fellowship. Lodge elections and a Brotherhood Conversion are accomplished during the Spring Fellowship, along with a dance team performance and fun activities in the dining hall. The Fall Fellowship includes: Lodge training seminars, the Lodge Fall Banquet, the Vigil

Honor Tap out, the Founder's Award Presentation, and a Brotherhood Conversion. Service projects are also a part of our Fellowships as we strive to give cheerful service that benefits our Camp.

Cub Haunted Weekend

Unali'Yi Lodge has taken on the responsibility of running all facets of the Coastal Carolina Council Cub Haunted Weekend. Our first year of staffing this event was 2018. It is critical that all lodge members that are able, can come on down to Camp Ho Non Wah to help staff. We will be running the dining hall & meals, the trading post, registration, commissioner staff, and all program activities. Staff will arrive Friday to prep the camp, and campers will start to arrive around 4. After campers finish arriving and setting up, they will have dinner in the dining hall. Shortly after dinner, an opening show goes on with an awesome costume contest. Directly after the campfire show, the main activities will begin.

Campers will be able to go visit the haunted house, haunted trail, haunted hayride,

UNALI'YI LODGE 236

a movie in the dining hall with cracker barrel, and glow wrist rockets!

The Section E-7 Cornerstone Conclave

This is an annual event attended by the Lodge and also hosted by each Lodge every ten years. It is attended by eleven Lodges, which make up Eastern Region 7, consisting of all the Lodges in South Carolina, one Georgia Lodge, and four from North Carolina. It also goes by other names such as the area conference, section conference, or just conclave.

The Conclave is held for the purpose of fun, fellowship, and training, but not necessarily in that order. Competitive events are held between the Lodges testing both physical and scouting skills. This event is called the "Quest for the Golden Arrow." The Lodges also compete in several Indian Lore Categories that are ceremonial competition, outfit competition, and dance competition in both group and individual categories. The Lodges also compete in displays, planbooks, newsletters, and camping booklets. There is even a competition in totem pole carving. New section officers are elected Saturday evening at the Fellowship.

National Order of the Arrow Conference (NOAC)

Every three years, the National Order of the Arrow Conference (NOAC) is held at a major university, usually in August. This event is similar to an area conclave except that it is on a national level with about 7,000 in attendance. The conference program includes training sessions, fellowship, American Indian Activities and much more. The 2024 NOAC will be held in August at The University of Colorado Boulder, in Boulder, Colorado. For more information about NOAC check out the Lodge's website.

National Leadership Seminars (NLS)

The National Leadership Seminar is a weekend conference focusing primarily on the skills and attributes of leadership. It is intended primarily to enhance the leadership skills of the Order of the Arrow's key youth and adult members as

UNALI'YI LODGE 236

they seek to improve their service to the Boys Scouts of America and the greater community.

The Mission of the Lodge

The mission of Unali'yi Lodge 236 is to achieve the purpose of the Order of the Arrow as an integral part of the Scouts BSA in the Coastal Carolina Council through positive youth leadership under the guidance of selected capable adults.

Our Lodge holds and sponsors many activities throughout the year. Whether we gather for an ordeal or our annual awards banquet we strive to have a good time.

Lodge Executive Committee Contact Information

Lodge Executive Committee

The Lodge Executive Committee is comprised of the youth leaders in the lodge and their adult advisors. The Committee has two sub committees of program and administration. There are also ADHOC committees and the Chapter Chiefs. At the head of the LEC are the 5 lodge officers, the Lodge Chief, Lodge Vice Chief of Administration, Lodge Vice Chief of Program, Lodge Secretary, and Lodge Treasurer. If you are interested in joining a committee, please email the corresponding chairman. Our Council Policy requires that contact info for our lodge officers, committee chairman, chapter chiefs and their advisors to be requested from the individual. Requests may be made by email through the lodge email addresses below. We really encourage all Arrowmen to join a committee and become more active and have more fun in Unali'Yi Lodge.

OA Troop Representative Program

The Order of the Arrow Troop/Team Representative program began in 1999 for the purpose of improving communications between lodges and units. The Troop/Team Representative serves as the liaison between Unali'Yi Lodge 236 and his troop and has several responsibilities. He is responsible for setting up OA Elections and encouraging Arrowmen to assume leadership positions and set good examples. He is also responsible for promoting year round and resident camping within his Troop. As a reminder, this position counts as a leadership position for rank advancement.

Representatives are contacted via email or phone by their Chapter Chief to verify contact information and to assist the Lodge with providing information to the units. Please have the following information about your unit's representative when you register your OA Troop Representative: name, mailing address, phone number, email address, OA honor, OA chapter, scouting experience, and OA experience. The unit leader's email address is also needed. To register, please email our Vice Chief of Administration at VCAdmin@site236.com.

We understand that the Troop/Team Representative position is not an official part of Venturing. However, we would like Venture Crews to appoint an unofficial representative who is under 21 as some Crews have Arrowmen that are no longer active in a Troop or Team and we would like to communicate with them as well.

Please take the opportunity to share this letter with members of your unit and select a representative as soon as possible. If you do not have an Arrowman in your troop, please visit our website and let us know. If you have any questions or concerns, you may refer to the [Order of the Arrow Handbook](#), site236.com, or the

National OA Web Site at www.oa-bsa.org.

Lodge Plan of Administration

The Order of the Arrow was created to influence the lives of young men. The Lodge was established as a society belonging to these individuals. Most Lodges throughout the country have accepted this principle and have given leadership positions to the youth rather than to the adults. Leadership positions are given to the high caliber scouts and explorers of the Lodge. Experience has shown that when the right type of adult guidance is given, the youth leaders are quite capable of providing effective leadership.

Lodge Officers

All leadership positions in the Lodge are elected positions. All officers are under 21 years of age. They are elected annually so that the greatest number of members can get an opportunity to be a part of the leadership. Candidates are proposed by petition. These Lodge officers are the key youth leaders of the Lodge:

Chief

This is the top youth leader in the Lodge and Chair of the Executive committee. He appoints all committee chairs. He decides what committees are needed for the successful operation of the Lodge. He is responsible for the planning and the conducting of Lodge activities. He undertakes, with the advice and approval of his advisors, service projects for the Lodge to accomplish. He promotes and represents the Lodge at all council, regional, and national activities. He prepares the agenda and conducts all Lodge Executive Committee Meetings (LECMs). He directs the Lodge Executive committee members in accomplishing the goals and objectives of the Lodge. He sets goals for his administration to accomplish. He identifies future Lodge leaders and helps to train and to encourage them into Lodge leadership. He is responsible for the training of the Executive committee. In summation, he is basically responsible for the overall operation of the Lodge.

Vice Chief of Administration

He is the right hand man of the Lodge Chief and assumes the Chief's responsibilities in his absence. He assists the Chief in planning and conducting Lodge activities. He is responsible for program planning, physical arrangements, and inspections at all Lodge activities. He is responsible for the operation of the following committees: Camp Promotions, Dixie Fellowship, Internet, Kitchen, Publications, and Service

Vice Chief of Program

He is responsible for all Indian Affair Activities in the Lodge. He coordinates the Activities, Brotherhood Conversion, Elections, Elangomats, Ceremonies, and the Dance/Sing Team committees. He supervises all activities regarding the call-out and induction of new members and the proper recording of these actions.

Secretary

He is the keeper of Lodge records and handles all Lodge correspondences. He records and prepares minutes of all Lodge and Executive Committee meetings. He is in charge of registration at all Lodge activities. He supervises the preparation of all Lodge correspondences, such as dues notices, new candidate letters and Brotherhood letters. He develops a calendar for the mail-out of meeting notices and all other communications. He updates all Lodge membership records in the Lodge computer. He is also responsible for the creation and maintenance of the Lodge's website.

Treasurer

He is the collector of all Lodge dues and record keeper of dues collection. He maintains inventories of all Lodge materials intended for sale and prepares orders for new stock as needed. He maintains the Lodge financial records and prepares reports on the Lodge's financial status for the Executive Committee meetings. He prepares the annual Lodge budget and is responsible for operating the Lodge trading post at Lodge activities.

Operating Committees Responsibilities and Goals

The Lodge is broken down into committees that carry out the responsibilities of the Lodge. Each committee has a chair and advisor. Committee responsibilities are decided by the Lodge Chief. Each committee submits an annual budget and goals. These goals help guide us over the course of the year.

Activities

This committee was formed in 1995. The Activities Committee organizes and produces at least one show for each of the four Lodge functions. They offer a theme for each weekend and see that each show is fun and interesting. During the Fellowship weekends this committee is responsible for the afternoon program.

Brotherhood

This committee is critical to a successful Brotherhood process. They are in charge of Brotherhood questioning, gathering the Brotherhood candidates at the proper time, guiding the candidates on the Brotherhood Hike, lead the candidates to the ceremony ring, and keep a list of all names to make the Brotherhood certificates. This committee works alongside the ceremonies team so that we can have a seamless ceremony for the new Brotherhood members.

Camp Promotions

A major responsibility of the Order of the Arrow is to promote camping. This is the primary responsibility of the Camp Promotions Committee. They promote summer camp at Ho Non Wah, camporees and camporalls, individual unit camping, high adventure, and Lodge activity attendance. The committee uses visual aids, printed materials, troop visitations, and word of mouth. The Camp Promotions Committee

gathers, publishes, and promotes accurate information on activities for the year. They also assist new troops with camping procedures. The committee recruits and trains committee members in each District for troop visitations. The major goals are to produce a more interesting camp promotions video, distributing two (2) copies to each Lodge Chapter for promoting summer camp at Camp Ho Non Wah, and to develop and mail out to unit leaders a camp promotions brochure by the end of January each year.

Chaplain

This committee is in charge of gathering people to properly execute the chapel service on the Sunday mornings of each Lodge function. They also create a new Chapel program each year, so that the program stays fresh.

Ceremonies

The primary responsibility of the Ceremonies Committee is the performance of all Lodge ceremonies: Ordeal, Brotherhood, and Vigil. This committee is also responsible for the construction, repair and maintenance of the ceremonial outfits. They keep the Lodge ceremonial grounds and pageant grounds in order at Camp Ho Non Wah. The Ceremonies Committee develops and coordinates the formal procedure for holding call-out ceremonies for units, districts, camporees, and summer camp. Their goals include: replacing ceremony outfits, conducting ceremonies on time, and providing well-maintained and well-lit grounds.

2022- 2023 Ceremonies Team Calendar

Team meetings will be held at Harbor View Presbyterian Church on James Island, at 900 Harbor View Rd, Charleston, SC 29412. Lodge History Highlights

Unali'yi Lodge #236 has made a significant contribution to the history Order of the Arrow not only locally, but also on an area and national level. It all began back in 1943 when "Chief" J. Rucker Newbery was hired as Scout Executive of the Coastal Carolina Council. Newbery had received the nickname "Chief" for his many contributions to the Order, primarily for his starting or helping to start many O.A. lodges throughout the Southeast. He was a national officer of the O.A. and also served on the National Executive Committee for many years. The following is a chronological list of people and events that have shaped our lodge into the fine organization it is today.

1943 May — Unali'yi is chartered with the National Office of the BSA as the 236th O.A. lodge on May 11. The first Ordeal is held on the weekend of May 14-16 at Camp Ho-Non-Wah. Six brothers put on the Ordeal from Tomo-Chi-Chi Lodge #119 of Savannah. Thirty-three scouts and leaders go through this first Ordeal, thus becoming our founding, or charter members. Jerome Moskow, a young leader from Andrews, is appointed the first lodge chief. The work project was a dock built on Bohicket Creek.

Summer — The first staffed summer program is held at Ho-Non-Wah for the Council. Construction of the "swimming hole" was dug in front of the White House and completed in 1944.

1946 Lodge members attend an area meeting at Morrow State Park in North Carolina. This led to the beginning of the popular Area Fellowships. J. Rucker Newbery becomes the first Vigil Honor Member of the Lodge.

1947 The first official Area Fellowship, called the Area Z Fellowship, is held at Camp Barstow near Gaston, SC, and is hosted by Muscogee Lodge #221 of Columbia.

1949 Unali'yi hosts its first Area Fellowship, also called Area Z, at Ho-Non-Wah. The practice of holding Vigil ceremonies at Area Fellowships begins.

The national office of the Boy Scouts of America officially adopts the Order of the Arrow as part of the scouting program. Chief Newbery

serves as National Treasurer and compiles the first O.A. Handbook, which was printed in Charleston.

The lodge sends representatives to the first National Order of the Arrow Conference (NOAC) in Indiana.

1950 A major tree-planting project is held at Ho-Non-Wah hosted by the lodge. Over 2000 pine trees are planted.

In the first of many national realignments, the geographically large Area Z is broken down into smaller areas. Unali'yi becomes part of Region 6, Area B.

1952 The lodge hosts its first and only 6-B Fellowship at Ho-Non-Wah. This weekend holds particular historical significance, as it is the first to be called the Dixie Fellowship.

1953 In a minor realignment, Unali'Yi moves out of Area 6-B and into Area 6-C. The lodge would remain in Area 6-C until 1972.

1954 The first Unali'Yi Lodge flap is issued, replacing the first two small arrowhead patches. The flap is heavily restricted at two per life (one at Ordeal, one at Brotherhood).

1956 The lodge issues its first jacket patch, made out of chenille material. Due to its size and cost, it was unpopular and was never re-ordered. It is now considered very rare.

1958 Unali'yi hosts its first Area 6-C Fellowship at Ho-Non-Wah. It was called the Fort Sumter Fellowship as delegates had the opportunity to visit the fort. E.W. Rabon serves at Area Chief.

The lodge constructs the Unali'yi pageant grounds, located on the site of the current council ring.

- 1962** The lodge issues its second lodge flap also restricted to two per life. Also issued was the second jacket patch (the chenille design, only made out of regular threads), restricted to one per life, and the first trading flap.
- The lodge hosts several Indian events to raise funds for the dredging of Lake McGee at camp. The IP-62 flap is issued to participants.
- 1963** The lodge wins both the group dance competition and the Quest for the Golden Arrow at the Area 6-C Fellowship at Savannah.
- 1964** Unali'yi hosts its second Area 6-C Fellowship at Ho-Non-Wah. Dan Biggerstaff serves as Area Chief. Steve Fecas wins solo dance competition.
- J. Rucker Newbery retires as Scout Executive of the Council and is replaced by A. L. Rogers. Newbery assumes the volunteer position of lodge advisor.
- 1965** The Order of the Arrow celebrates its 50th Anniversary.
- 1967** Unali'yi wins first place in-group dance competition at the Area 6-C Fellowship. Ed Peterson wins first in solo dance competition.
- 1968** The lodge celebrates its 25th Anniversary. Construction on the Swamp Fox Trail in the Francis Marion Forest is begun by Unali'yi, in cooperation with many troops in the council. The trail would later be lengthened from its original 12 miles to 25 miles. From its inception this year until its destruction in 1989 by Hurricane Hugo (rebuilt by the Forestry Service), thousands of scouts and leaders from around the nations would hike this BSA approved Historical Trail.

Ed Peterson wins first place in solo dance competition for the second

year at the Area 6-C Fellowship.

1969 No Area Fellowship was held due to national ruling however; lodge leaders do attend a training meeting in Columbia.

M. Reeves Little replaces A. L. Rogers as Scout Executive of the Coastal Carolina Council.

1971 The second lodge-trading flap is issued.

1972 Unali'yi hosts the final Area 6-C Fellowship at Camp Ho-Non-Wah. The lodge wins the Quest for the Golden Arrow and Barry Stamey serves as Area Chief. In setting up for the 6-C, the lodge built the pavilion behind the old trading post. (This is the same pavilion now in front of the handicraft center.)

Due to the national gas shortage, the two Ordeal weekends were canceled and Ordeals were held on the Friday of each week at Summer Camp. This was repeated the following summer.

1973 The BSA made major changes in the entire Scouting program this year. 12 regions became 6. Area Fellowships would now be officially known as Section Conclaves. Unali'yi became part of the Southeast Region, Section 3-B. (SE3-B) This re-united us with the lodges who were still calling their Area Fellowship the "Dixie" Fellowship, thus we returned to "the Dixie".

Chapters are re-organized in the lodge, one in each district. Over the years, they would come and go, sometimes working well and other times not.

With the arrival of Norman Schaefer as Council Camping Director, the lodge begins numerous camp improvement projects at Ho-Non-Wah, including a new floor in the old dining hall, a new rifle range and building a new cabin.

The lodge issues its third and final trading flap.

Unali'Yi holds its first patch auction, raising \$126.

Hank Stilmack serves as Section 3-B Vice Chief.

1974 For this one year, the lodge switches from four to two activities per year.

J. Rucker Newbery writes and publishes his book *Scouting Memories* with funding provided by the lodge.

1975 As the nation celebrates its Bicentennial, the lodge and council join in on this program feature. Camp Ho-Non-Wah is declared the first Bicentennial camp in the nation. Lodge members will run a bicentennial flag from the Customs House in downtown Charleston 25 miles to Camp Ho-Non-Wah.

The Charlestown Historical Trail, which later becomes the Bicentennial Trail of Freedom, is begun by the lodge in downtown Charleston and dedicated to Chief Newbery. The Nature Lodge at camp is also dedicated to Newbery.

Mack D Lassiter becomes Scout Executive of the council, replacing Reeves Little.

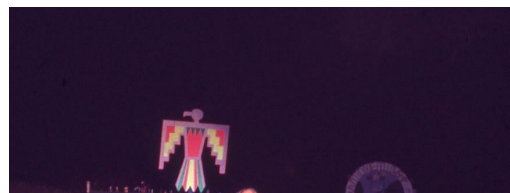

Restrictions on our lodge flap are lifted; Brotherhood and Vigil flaps (with different color borders) are issued.

1976 Unali'yi hosts the 25th anniversary of the Dixie Fellowship at Camp Ho-Non-Wah. A memorable weekend as O.A. founder, Dr. E. Urner Goodman attends. The Ceremonies team completed new Ceremonies regalia based on Seminole Clothing from the 1940's. In March, our lodge received the E. Urner Goodman Camping Award for the fifth consecutive year. Unali'Yi showed up in high spirit for the Dixie Fellowship with the theme Dixie in Paradise winning the Norman J Alston Spirit Award for the first time in many years. 2019 To start off the year, Unali'Yi received the E. Urner Goodman Camping award for the sixth year in a row, and then competed at Dixie and earned Lodge of the year for the fifth year in a row. During our Spring ordeal we inducted the first ever female youth into the lodge. The year continued with a great summer camp season with over 90% of staff members in the Lodge. The Lodge sent multiple brothers to OAHC trips. In the fall we

had another great Cub haunted weekend, and helped staff winter camp 2019.

2020 The year started out great, by receiving the OA National Service Award for the first time ever. As well as the Southern Region Camping Award, and the E. Urner Goodman Award for the seventh year in a row. With the COVID-19 Virus outbreak in spring of 2020, Dixie was canceled, along with spring ordeal, and NOAC. We were finally able to host the fall ordeal in September, and inducted 33 new members. At fall fellowship we inducted 8 new Vigil members, 2 founders award recipients, and The National Distinguished Service Award was presented to James Barton. One of only two ever presented in our lodge.

Vigil Honor Recipients

The Vigil Honor is the highest honor the Order awards to its members for service above and beyond the call of duty. In the early days of the lodge, Vigil members were very rare. Lodge founder J. Rucker Newbery became the first Vigil Honor member of Unali'yi in 1946. Vigil ceremonies were sporadic during the 1940's and 1950's. Beginning in 1972, there has been a Vigil ceremony every year.
