SERVING TOMORROW'S LEADERS TODAY IN THE COASTAL CAROLINA COUNCIL

Lodge Leadership Development Recap

Lodge Leadership Development (LLD) was a fun and informative weekend. The LLD was put on by the lodge officers at Camp Ho Non Wah in late August. Lodge leadership development is a vital part of our lodge's program. As a Lodge Executive Committee, we came together to brainstorm new ideas and solutions to improve the lodge. We also had a lot of informative training sessions to teach the new leaders of our lodge. Our lodge officers offered a wide variety of training, which included setting goals, membership retention, activation, becoming a leader, team empowerment, and troop relations. Our lodge believes training officers and LEC members is essential to our success and offers this weekend at no cost for all lodge members wanting to attend. Our goal is to provide members of our lodge with the tools to grow better as individuals with their committees or chapters and to continue strengthening the unity of our whole lodge.

Fall Fellowship 2023

We have one of the most significant events in our lodge coming up soon. The Lodge Officers are excited to organize a fun and exciting event for your fine Arrowmen. We have a few key parts to this event: Vigil Callout, Training, Powwow, and Annual Awards Banquet.

We will also be joined by many distinguished guests:

- Eastern Region Chief - Matt Carlson
 - Section Chief - Michael Tiedman
 - Section Vice Chief - Elijah Aiken
 - Section Secretary - Dylan Blackmon
- We look forward to seeing you all there.

Fall Induction Weekend

The fall induction was a huge success—many thanks to all who came out and participated in our recent lodge fall induction. We also want to congratulate those brothers who sealed their membership by completing their brotherhood. Activities were happening throughout camp. Our camp appears to be ready for the upcoming Fall Ordeal and Winter Camp. The Elangomats, ceremonies team, lodge officers, and cook crew did a great job ensuring the weekend went smoothly.

Cub Haunted Work Day

As a lodge, we got together in early October and started setting up for Cub Haunted. AJ Stevenson, your Cub Haunted Chairmen, put a lot of time and effort into making plans for easy setup that weekend. The Chief and AJ are very grateful for all the help we had from our amazing Arrowmen, who volunteered their time to set up our unique Cub Scout event.

Cub Haunted Rundown

We had a fun-filled weekend putting on an excellent program for the Cub Scouts. Cub Haunted was held October 20-22 at Camp Ho Non Wah. This was our 7th year hosting this event for the Coastal Carolina Council. Offering two sessions, over 600 Cub Scouts and their parents could have a spooky, good time. Both nights, we kicked things off with an opening show and costume contest, where all the Cub Scouts got the opportunity to show off their incredible costumes. Following the opening show, the Cubs could participate in many spooky program areas, including a haunted house, a haunted trail, a haunted hayride, and glow-in-the-dark wrist rockets. Following the festivities, they enjoyed a cracker barrel and a movie.

“These are they who have been selected by their fellow scouts to be come a part of our brotherhood.”

Advisor Minute

Cub Haunted is another reminder of how much fun being a scout is. Each year, this event grows and takes cheerful service to a new level. Thank you for your hard work and commitment to ensuring Cub Haunted was another unforgettable event for the Cub Scouts. We received many compliments from parents and scouts regarding how much fun the event was. Thank you all for your commitment to cheerful service.

The Best is Yet to Come!

A Word from the Chief

I am very proud to lead such an amazing lodge. Firstly I want to say congratulations to our 37 new Arrowmen who completed their ordeal at Fall Ordeal. As well as our Arrowmen who sealed their membership and became Brotherhood members of our lodge.

In August, when our Lodge Executive Committee met for the first time, I realized how good of a group of young and old Arrowmen I would have the privilege of working with over the course of the year. At LLD we trained these Arrowmen to better lead the lodge through the year.

In October we hosted Cub Haunted for Coastal Carolina Council, where our Arrowmen worked in conjunction with our Council's troops. This was one of the largest Cub Hauntedes we've hosted and it went extremely well, all thanks to our well-trained leadership.

Our largest lodge function of the year, Fall Fellowship, is quickly approaching. Get ready for a weekend of fun and great food. We will also be recognizing all of the Arrowmen who have gone above and beyond in cheerfully serving our Lodge. I hope to see y'all there!

Yours in Service,
Lincoln Shirey
