SERVING TOMORROW'S LEADERS TODAY IN THE COASTAL CAROLINA COUNCIL

Fall Ordeal

Written by Lily A.

This September at Ordeal, thirty-four new candidates were welcomed, while six members celebrated completing their Brotherhood. Scouts tackled service projects across camp; together, they made a meaningful impact through hard work and fellowship.

2025 Cub Haunted

Written by Morgan H.

As Youth Chairman, I was proud to help lead the 2025 Cub Haunted event. Unali'Yi Arrowmen hosted, with support from service troops, a safe and exciting Halloween camping weekend for Cub Scouts and their families. On Friday night, we welcomed 205 Cub Scouts and family members. Saturday brought even more energy, with 406 participants joining in. After the campfire and costume showcase, Scouts participated in activities such as the Haunted Hayride, Haunted Trail, Haunted House, Glow Slingshots, Ghouls Dance Party, Tent or Treat, s'mores, and a movie. Families camped overnight, shared meals, and joined in interfaith worship on Sunday morning. By focusing on Scouting values, safety, and fellowship, we made Cub Haunted 2025 a memorable and successful weekend for everyone. Thank you again to our amazing staff!

Fall Fellowship

Written by Lily A.

At this Fall Fellowship, we enjoyed our annual seafood feast and held the vigil callout. Eight members were selected for vigil: Mike M., Sean B., Micah B., Billy B., Cooper W., Bill B., Jennifer W., and Albert G. Two members also achieved the rank of brotherhood. Throughout the day, the youth spent time together, playing games, helping with service, and recognizing each other's achievements. At the lodge banquet, several youth received awards for their hard work during the year. The day ended with an awards ceremony honoring members for their dedication to Scouting. This year's Founders Award went to Ben K and Riley M. The event brought everyone together and celebrated the spirit of the Order of the Arrow. Our patch auction raised just over \$2,000.

A Note from the Chief

Written by Drew B.

This fall has been a busy and successful season for the lodge. At our recent Ordeal, we welcomed 34 new Arrowmen into our lodge, and 6 Arrowmen sealed their commitment by completing Brotherhood. Cub Haunted was a tremendous success as always, thanks to the dedication and cheerful service of our members. At Fellowship, several Arrowmen earned well-deserved awards, and 8 were recognized with the Vigil Honor. I am proud of the growth, leadership, and spirit our lodge continues to show. I look forward to the exciting events ahead, especially Conclave. As E. Urner Goodman said, "He who serves his fellows is, of all his fellows, greatest."

Lodge Brotherhood Through Cheerfulness 

Advisor's Minute

Written by Wayne B.

Arrowmen, our lodge is only as strong as its members' commitment. Brotherhood is not built by patches worn on a uniform, but by hands willing to serve and hearts willing to lead. Every fellowship, ordeal, and service project is an opportunity to strengthen the ties that bind us together. I challenge each of you to show up, step forward, and invest in your lodge. When you participate fully, you honor the Obligation and set the example for those who follow behind you.
